

2019 NMA Memorial Award Ballot

Vote by placing a check next to the person you believe most deserving of this award.

VOTE FOR ONLY ONE PERSON

Andrew Lacko:_____

Andrew has provided boat rides for our tree wrapping and clean-up patrols from the foot of Sheridan to Motor and Strawberry Islands for years. Andrew's generosity and work ethic have helped make these two programs so successful. His dedication to the habitat improvement of the Niagara River is to be commended. Andrew, a prolific angler, tagged fifty-eight muskies in 2017 and 2018 which comprises 36.25% of our total number of tagged fish. Andrew has donated his time volunteering at several of our booths at various sporting shows.

Gary Melnyk:_____

A longtime member and one half of our inseparable dynamic duo Hope-N-Gary, Gary has volunteered at nearly every NMA event since joining our club. He and Hope have taken care of our monthly raffle ticket sales for as long as I can remember. Gary also sells raffle tickets, works the door, and assists in set-up at our banquets. Gary has been one of our delegates to the ECFSC for the past ten years and has served on its board of directors for the last six years. Being a delegate and board member of the Federation means two more monthly meetings to attend, and their meetings are held all over Erie County. Gary has dedicated countless hours of work to the NMA over the years and he is always willing to take on additional responsibilities to ensure the continued success of the NMA.

Jim Reynolds:_____

A longtime member of the NMA, Jim has provided our club with deep discounts and donated many of his wonderful Mr. Toothy lures for our events. Jim is a very knowledgeable musky angler and always brings his unique outlook and expertise to any musky discussion. Jim is the former president of the Chapter 69 chapter of Muskies Inc. and he worked tirelessly to ensure that chapters success since its infancy.
